Re: Angel Element

It is our pleasure to acknowledge that Angel Element was our consultant for (ISO 9001:2008 & OHSAS 18001) for certification.

This is a great consulting firm. We have successfully achieved (ISO 9001:2008 & OHSAS 18001) certification with your advance guidance. Our consultant, Mr Liew Yoke Min, had given us a lot of guidance to further improve our processes.

We would strongly recommend Angel Element to all companies who wish to achieve (ISO 9001:2008 & OHSAS 18001) certification.

Once again, thank you for all the help.

Yours sincerely,

ASLINDA A RAZAK
